2.0	At 5 p.m. on 30 August, there was a practice alert in Werder. All Soviet soland dependents hurried to the airfield. About 15 minutes after the alert was 52 trucks were seen proceeding to the airfield. The Russians did not return airfield before 8.p.m. A barbed wire fence was being built around the restricted area. The sector of fence near Lake Zern was completed. (1) It was rumored among the Germans emplay the restricted area that they would soon be dismissed. When a civilian employee wanted to buy a radio set on instalments at the shop in the restrict area, she was told that this was not feasible at present, as all German employees must expect to be given notice of dismissal any day. The present report indicates with a fair degree of certainty that the Unit Gorshkov is assigned to the fighter division headquarters in Koether. The chiefs of all Commissary and Special Service Departments of all the 10 division headquarters of the Twenty Fourt 25X1 Air Army have thus been determined. . Since two such commissary and special service departments i.e. Units Samolenkov and Mashking are reportedly located in weeberitz, the headquarters of a ground attack
